OCTOBER BREAKFAST

We had 35 attending this morning. Even though it was cold, some did ride so they

could take the ride following the breakfast to the Aerodrome show. Willie's two grand-daughters, Kelly Jo and Casey were guest today.

The birthday winner was Joan Miller and the 50/50 winner was Gary Enck, who decided to donate the winnings back to the club. The scratch-off winners were Bernie, Fred Brotschul, Kay Cronk, Ray Taylor, Fred Miller, and Willie Grosslinger.

Ted mentioned that we did get a "Thank You" from our donations from the Poker Run.

We also signed a card for Pat Blanchard who is in the hospital at Bassett for heart related problems. We hope she recovers soon and will be home shortly.

Until next, month,

Terri

Holiday Party

On November 2nd we held our annual Holiday Party at Brooks BBQ. We had 40 members attending, and had a great meal. The members also brought food and gifts for the needy, as well as a gift to exchange with each other.

We have the party a little early to make it possible for the snow birds to attend before they leave for the south for the winter. We wish everyone a healthy and safe winter, and hope to see everyone in the spring. But don't forget those of us who, don't go south, still have our monthly breakfast and luncheons. So ya'll come and join us.

ODDS and ENDS

Good news- Patrick & Grace Thomson have stepped up and offered to host the Poker Run for next year. It will be July 12th 2015, right after the breakfast, so mark your calendars to save the date. And please- help out where you can. If they ask you to do a job, if at all possible, do it.

We need to get back to being an active club, and participate in the activities like we used to. Besides the Poker Run, lets get back to having weekly rides, weather permitting, as well as an Overnighter.

Any one interested in setting up an Overnighter next year- we have had such a good time going on these, please let us know. The club is your club and we need your participation.

Old Rhinebeck Aerodrome

After the October breakfast, 14 of us rode down to Rhinebeck to watch the vintage planes. It was a cool day, but dry. The show was very interesting, At the end they pumpkin bombed the field. The sun came out so it was quite warm during the show. We had 2 4 wheelers, and the rest were Spyderys, with one 2 wheeler.

On the way home we stopped at a restaurant for pizza.

If you haven't been down to see this show, and enjoy watching vintage planes fly, put this on your calendar for next year.

Lake George trip 9/11-14

Ruth Reynolds and Mary Walker headed out before daylight in the cold rain to meet up with Don and Mary Harvey and their friends Rick and Sherry off Rt.88 near the Cooperstown exit at 7am Thur. morning. By the time we arrived at Six Flags, Lake George to get signed in it had stopped raining and warmed up a little. What a sight-there were SPYDERS everywhere. We met up with John and Gayle Heller who had gone up a day early.

Our first ride was to Saratoga Springs to the 9/11 memorial made out of metal from the Twin Towers. Each day we got to choose from three different rides. On Fri., the biggest ride consisted of over 100 bikes, traffic was stopped at each intersection so we could all stay together (what a sight).

We went through 4 covered bridges and into Vermont. Our first stop was the monument at Bennington which is over 300 feet tall. From the top we could see 3 states. After getting gas in shifts we proceeded up the Sky Line Drive to Mt. Equinox. What a gorgeous ride. From the lookout we could see the New England Mt. Ranges in every direction. Others chose the teddy bear factory and the dinner cruise.

Sat. we chose the fast paced ride of about 200 miles we stopped at the Tail Of The Pup for lunch. It started raining and continued on our ride back. The trees were starting to change many different fall shades.

At our closing ceremony we had BBQ pizza and many of us won prizes, Don won two front tires for his spyder. He was very glad that they would deliver them to Walton.

We took the back roads home Sunday and enjoyed our own local sights. We are anxious to find out the dates for next year so we can put it on our calendars.
